

Welcome to the  
**2024 Gorham Savings Bank Maine Adapted Open**  
**July 9 & 10**

at the Brunswick Golf Club, Brunswick Maine.

<http://www.brunswickgolfclub.com/>

***This is the fourth year we have added a Scramble event at the Brunswick Golf Club on July 8 at 1PM.***

We are expecting amputees, disabled golfers and friends from around the US and Canada. The Gorham Savings Bank Maine Adapted Open is a 36 Hole Stroke play event run by the Amputee Association of Maine. The event is a ranking event for the USAGA and WR4GD. We are a tournament for amputees, those with other disabilities and able-bodied golfers with an overall champion and able bodied and adapted winners.

We hope that golfers from away will use the Scramble to play Brunswick prior to the Maine Adapted Open. For our friends in Maine the scramble is an easy, convenient way to support the Amputee Association of Maine [www.amputeeassociationofmaine.org](http://www.amputeeassociationofmaine.org) while having fun with friends, clients, and co-workers.

In conjunction with the tournament, the Amputee Association of Maine is sponsoring a free Adaptive Golf Clinic from 1 – 4 p.m. on Sunday, July 7 at Brunswick GC. Register by emailing [jlemieux@antonlemieux.com](mailto:jlemieux@antonlemieux.com)

Maine in July is spectacular, and the greater Portland/ Mid Coast area combines the rocky coast with woods and mountains along with world-class restaurants in one of the most livable areas on the east coast. We hope you will arrive in Maine to spend some time before the tournament or stay and visit after. One important thing to consider is that Maine is a very popular place in the summer, and **you will want to make your lodging plans early**. There are a variety of hotels, motels and B&B's within 30 minutes of the Brunswick Golf Club in both urban and small-town settings. Portland is a 25-minute drive while Freeport is only 15 minutes from the club.

The amputee Association of Maine [www.amputeeassociationofmaine.com](http://www.amputeeassociationofmaine.com) is a non-profit 501(c)3 dedicated to the following mission: **To represent and empower the amputee community in Maine through support, advocacy and education.** Our golf tournament serves two purposes: it raises awareness of the issues that amputees may face while demonstrating what can be accomplished and it helps the Amputee Association of Maine Board raise funds to support our mission.

Please consider joining the Eastern Amputee Golf Association [www.eagagolf.org](http://www.eagagolf.org) to help support tournaments throughout the eastern U. S., golf clinics and scholarship funds. An EAGA application is included in your materials.

Enjoy your time in Maine!

### **Milas Rose Memorial Fund**

In 2007, we lost a wonderful member and friend in Milas Rose of Centreville, VA. Milas was a relative newcomer to the EAGA. He had been diagnosed with cancer and had a right hemipelvectomy. He was relieved to know that he would be able to return to golf—one of his life's passions. In the beginning, he used a single rider golf cart and participated at 2004 Combo Classic at Twin Lakes GC in Clifton, VA and the eastern Regional at Bethpage State Park on Long Island. Milas also played in the Northeastern Amputee Classic at CC of Woodloch Springs in Hawley, PA. In 2006, he played in the Combo Classic with his new prosthetic leg. This would be his last event as he was unable to shake the cancer.

Milas's widow, Joanne wished to do something in his memory. So, the Milas Rose Memorial Fund was born to help his fellow Military veterans by establishing complimentary memberships to the EAGA for any wounded amputee soldier returning home from Iraq and Afghanistan. EAGA Memberships are available to any amputee soldier who attends our NAGA "First Swing/Learn to Golf" Clinics such as the Disabled Sports/USA & Warfighter Sports Clinics. Memberships are also available to any amputee soldiers that are recommended by our EAGA Members and Friends. Thanks to all who donated for their generosity and support of our Military men and women.
